## HSE Policy

At Vantage Drilling we are committed to conducting our activities in a way that protects the Health and Safety of all personnel working in our operations and to minimising our Environmental footprint in all locations.

It is our objective to have zero incidents in our operations which will lead to the achievement of our Vision where we have:

### 'A Perfect Day – Every Day'

We will accomplish this by:

- Providing leadership that creates a mature safety culture which preserves the wellbeing of our people and their families.
- Continuously improving our world class HSE management system by measuring and reviewing our HSE performance.
- Reporting and investigating all incidents and implementing what we learn.
- Complying with or exceeding the requirements of all applicable laws and regulations.
- Developing the technical and systems competence of our people.
- Systematically identifying hazards and managing risks to as low as reasonably practicable (ALARP).
- Caring for and protecting the environment.
- Maintaining the integrity of our assets through professional operations and sound maintenance practices.
- Ensuring all personnel are aware of their obligation to 'Stop' the job if they notice something unsafe.
- Complying with the principles and intent of the Vantage 10 Daily Safety Tools.
